<b>Display Code Descrip.:</b>	No		
<b>Display Universes:</b>	Yes		

## Results

Data meeting the criteria you selected follows.

Total Pages: 2

Handler Count: 1

## Report Description

This report provides a complete listing of evaluation, violation and enforcement activities for each Handler, including all orphan records. Below the Handler ID information, the data is presented in three sections; evaluations, violations and enforcements. Comments, referred to as Notes, are provided in each respective section. Since evaluations are included regardless of whether or not violations are identified, this report also serves as a useful management tool for tracking progress made towards meeting RECAP commitments.
